CASE CALLED FOR STATUS CONFERENCE.

The government informed that all discovery has been provided and a physical evidence inspection was conducted. Plea offers have been tendered and some counter offers have been received and accepted.

The defendants do not object to additional time to continue plea negotiations.

Further Status Conference set for February 6, 2023 at 2:00 PM.

The Speedy Trial Act tolled in the interest of justice and because of the need for additional time to pursue plea negotiations.
